

Rotary Naracoorte

Caves Fun Run and Pedalfest

Sponsorship

A major reason for Naracoorte Rotary to run the Fun Run and Pedalfest is to provide the means whereby community groups may raise money by sponsorship. Alternatively entrants may raise funds for their favourite charity.

Groups may raise money by encouraging their members to enter and to ask people to sponsor them.

Sponsorship forms are attached to the entry forms. Entrants ask supporters to sponsor them and this sponsorship is recorded on the sheet. The entrant brings the sheet to the starting line where it is stamped to show that the entrant is present. After the event the competitor takes the sponsorship sheet and certificate of participation to the sponsor to claim the money, which the competitor then pays to the group or charity which they are supporting.

Use your participation in the Fun Run / Pedalfest to support your group or favourite charity.
